On the following dates, ANTHC and the City of Craig executed CPAs authorized by the Denali Commission; scopes of work, funding sources and amounts are also identified:

Project No.	Execution Date	Eunding Source	Amount	Scope of Work
AN 04-GC1	Jan. 10, 2005	Commission <sup>1</sup>	\$75,014	Design, construction planning to repair, renovate and expand an existing clinic
AN 06-GF0	Nov. 10, 2006	Commission <sup>2</sup>	\$480,000	Design, construction planning for a new clinic

#### Notes:

- 2) Financial Assistance Award No. 220-06, Amendment No. 1, dated September 2006

No construction was performed under these projects.

#### B. PROJECT CANCELLATION AND REVISION OF PROJECT FUNDING

The scope of work for project AN 04-GC1 was incorrect: it should have been for "design, construction planning for a new clinic." Consequently, this Amendment cancels project AN 04-GC1 and reallocates its funding to project AN 06-GF0.

A revised cost estimate table for project AN 06-GF0 is provided below.

						Funding Sources	
Job Type	Scope of Work		Units	Unit Cost	Total Cost	Denali FY04	Denali FY06
	Design, construction						
M-DS	planning for a new clinic	1	LS	460,000	460,000	60,000	400,000
		\$460,000	\$60,000	\$400,000

			Ť	otal Award	\$555,014	\$75,014	\$480,000

This document constitutes Amendment No. 1 to both projects. All other sections of the original AN 06-GF0 CPA remain in effect as agreed upon and executed.

Director, Central Engineering Services

SUBJECT:

City of Craig – Environmental Review

Project No. AN 06-GF0, Amendment No. 1

TO:

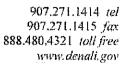

FOR THE RECORD

Federal funding for this project requires an environmental review in accordance with the National Environmental Policy Act (NEPA) and the National Historic Preservation Act (NHPA). The Alaska Native Tribal Health Consortium (ANTHC) has considered all potential environmental concerns (specific and cumulative effects) associated with the project in consultation with applicable federal, state, and local authorities. An environmental review was completed in November 2006 with respect to the proposed sanitation facilities construction at Craig, Alaska under Project No. AN 06-GF0. This Amendment will not change the scope outlined in the original document. No additional environmental review is necessary at this time.

The ANTHC will revisit this environmental review to determine if potential environmental concerns have been addressed if the scope of work changes.
